

THE WORLD'S FIRST
CARBON NEUTRAL
GLOVE RANGE

Traffi®
THE HAND PROTECTION SPECIALISTS

THE WORLD'S FIRST CARBON NEUTRAL GLOVE RANGE

Best in class in hand protection, certified carbon neutral.

At Traffi we're here to help you achieve your sustainability goals and objectives.

The LXT range has a net zero carbon footprint. This covers raw material, knitting, manufacturing, shipping to the UK and on to the customer delivery point.

WHAT DOES THIS MEAN FOR YOU?

- 1) Traffi can deliver LXT gloves to your site/location with a net zero carbon footprint covering both product and delivery
- 2) When our corporate clients come to calculate their own business upstream carbon footprint, we've already taken care of the hand protection
- 3) The Traffi journey also delivers sustainability through reducing waste to landfill, and extending the product lifecycle, thus reducing cost. LXT is truly best in class for comfort and dexterity

HOW DID WE ACHIEVE CARBON NEUTRAL PRODUCTS?

THE KEY INFO TO REMEMBER

- Traffi as a company is certified Carbon Neutral.
- Traffi LXT Products are also certified Carbon Neutral.
- Traffi can deliver LXT Gloves to your site/location with a Net Zero Carbon Footprint. This means when you come to measure your own business Carbon Footprint we've already taken care of Hand Protection for you.

Start your **FREE** LXT trial here

Surprised how long they lasted, over a month & would estimate 50% of Nitrile Glove usage could be replaced.

TG1240

Steve Roberts,
Go Ahead Group, Health & Safety Manager

Best I've worn, made using phones and tablet much easier. Didn't feel as though wearing gloves was a hassle.

TG6240

Jake Howes,
Amey Rail, Structural Examinations

REDUCING WASTE TO LANDFILL

Our LXT range has proven time and time again to last longer than competitors gloves. This is due to the life extending technology used.

2.7
TONNES OF WASTE SAVED PER YEAR WHEN THEY STARTED USING THE LXT TG1240

Source: Traffi customer

*Results from a major client Glove Trial Nov 2020

REDUCING COSTS INCREASING SAFETY & COMFORT

The increased longevity of the glove results in lower cost in use per day. Helping you to save money, whilst also reducing waste.

45%
YEAR ON YEAR REDUCTION IN VOLUME OF GLOVE USAGE SINCE USING THE LXT TG1240

TDS600 HAND & GLOVE SANITISER

The LXT range is also compatible with our TDS600 sanitiser. Using this on the glove will not degrade the coating. Helping you to stay protected from germs and viruses, whilst also protecting others.

FULLY CERTIFIED EVEN AFTER WASHING

- Quick drying
- EN 388 tested to 3 washes
- Protection against microbes and germs up to 20 washes
- Wash in a machine or under a tap.

THE SUSTAINABLE CHOICE

Carbon neutral product - certified as net zero carbon footprint to the point of delivery

Backed with the Traffi customer confidence guarantee

Proven to reduce costs and reduce waste to landfill

Antimicrobial treated against microbes and germs

Best in class for comfort & Dexterity
