

# ONLINE ORDERING, MADE EASY

Workwear Manager® is Heathbrook's innovative online ordering solution that simplifies the entire ordering process, showing you the correct product to order, tracking previous purchases, and helping you to control procurement.

We've built this unique solution to make ordering and receiving our products effortless - saving you time and money.

**Get ready for work.**

# SAVING TIME & MONEY KEY BENEFITS OF USING WORKWEAR MANAGER

## QUICK & EASY TO USE

Setting up and using Workwear Manager<sup>®</sup> couldn't be easier. We have developed this system to make your ordering as time efficient and user friendly as possible.

- **Up and Running Within 48 Hours** - or quicker if that's what you need
- **Easy** - Workwear Manager<sup>®</sup> only requires 20 minutes of telephone training to use and has continued FREE technical support (although you won't need it)
- **Pre-loaded** - Implemented with your divisions, individuals, delivery addresses, ranges and criteria all ready to use and expand immediately
- **24/7 Access** - Complete freedom to monitor and order

## SECURE

Security is a primary feature of Workwear Manager<sup>®</sup> and there are a host of authorisation options to keep your data, purchasing and financial information completely safe.

- **Secure Login** - You decide who sees what
- **Pay on Account** - If that's your preferred choice of terms
- **Or Online Payments** - Departments or even individuals can order and pay online whenever they want - to your parameters/control and it's completely secure

## PACKED WITH FEATURES

Keeping on top of ordering and controlling stock levels for even a few staff can be time consuming and confusing. We've made sure that Workwear Manager<sup>®</sup> is leading the way in every department.

- **Wardrobe Management** - By job role, individual, department, location, or all of these criteria
- **Recording of Expenditure** - By department, individual, garment and constant reviewing
- **Cost Centre Analysis** - Total traceability for peace of mind

“ YOU WILL SAVE MORE MONEY USING WORKWEAR MANAGER THAN REDUCING THE COST OF YOUR GARMENTS ”

# SUITED TO YOUR NEEDS

## INTRODUCING THE 3

### WAYS OF ORDERING

1

### BULK ORDERING

Easily place your orders by product or range and we'll deliver to your door.

- **Convenient Access 24/7** - Log on wherever you are with a few simple clicks
- **Save Time** - Easy to navigate website for quick selection of products
- **Fast Ordering** - 24 Hour Delivery - Next day direct to your door

2

### WEARER PACK ORDERING

We can pack all orders by wearer, marked with their name for easy distribution to individuals on receipt.

- **Personal Touch** - We have achieved a high level of customer satisfaction by offering man packed products
- **Easy To Use** - Workwear Manager<sup>®</sup> is the simplest, easiest method for ordering and distribution of workwear and PPE
- **Tailor Made** - A single person order could involve 15 separate items, all of this handled as one convenient package with the users name and contents shown on the outside of the package. This guarantees correct sizes enclosed
- **Right - Every Time** - All our consignments are double checked hence Heathbrook<sup>®</sup> man packing is extremely accurate

3

### CORPORATE STOCK ROOM ORDERING

This "new-to-the-market" tool is the latest development of the Workwear Manager<sup>®</sup> online ordering system. This web-based tool allows the user to record the issue of uniform by employee from the company's own uniform stock.

- **Maintain Control** - Record all issue of uniform by wearer and access previous issue records online
- **Set Stock Levels** - Maintain uniform stock levels using a simple replenishment procedure
- **Track and Record** - All replenishment orders can be tracked and booked on online
- **Additional Items** - Monitor stock levels and issue of products from other suppliers

# Workwear<sup>®</sup> Manager
