

HEATHBROOK'S DE-ICING RANGE

All that your de-icing crew
needs to stay safe and warm in
extreme weather conditions

FOR YOUR **DE-ICING** CREW

WORKWEAR AND PPE SPECIALISTS

We have over 20 years of experience in delivering quality workwear. Our designers and garment technologists understand garment limitations and innovation. We use this knowledge to match workwear to what an employee needs to keep them secure and warm.

EVERYTHING FROM ONE SUPPLIER

Being specialists in both uniform & PPE, means we can offer you the full package, from one source. Not only does this result in consistency and ease of ordering, it will also mean less deliveries, which directly impacts your carbon footprint.

TRUSTED PARTNER

At HeathBrook, we understand the importance of teamwork, quality, service and integrity. We have a system for successfully translating cost efficiencies into product benefits, and we continually look for savings for our clients to re-invest back into their own organisation.
