Workwear Manager®

SUITED TO YOUR NEEDS

INTRODUCING THE 3 WAYS OF ORDERING

1

BULK ORDERING

Easily place your orders by product or range and we'll deliver to your door.

- **Convenient Access 24/7** - Log on wherever you are, with a few simple clicks
- **Save Time** - Easy to navigate website for quick selection of products
- **Fast Ordering** - 24 Hour Delivery - Next day direct to your door

2

WEARER PACK ORDERING

We can pack all orders by wearer, marked with their name for easy distribution to individuals on receipt.

- **Personal Touch** - We have achieved a high level of customer satisfaction by offering 'people packed' products
- **Easy To Use** - Workwear Manager® is the simplest, easiest method for ordering and distribution of workwear and PPE
- **Tailor Made** - A single person order could involve 15 separate items, all of this handled as one convenient package with the user's name and contents shown on the outside of the package. This guarantees correct sizes enclosed
- **Right - Every Time** - All our consignments are double checked hence HeathBrook 'person packing' is extremely accurate

3

CORPORATE STOCK ROOM ORDERING

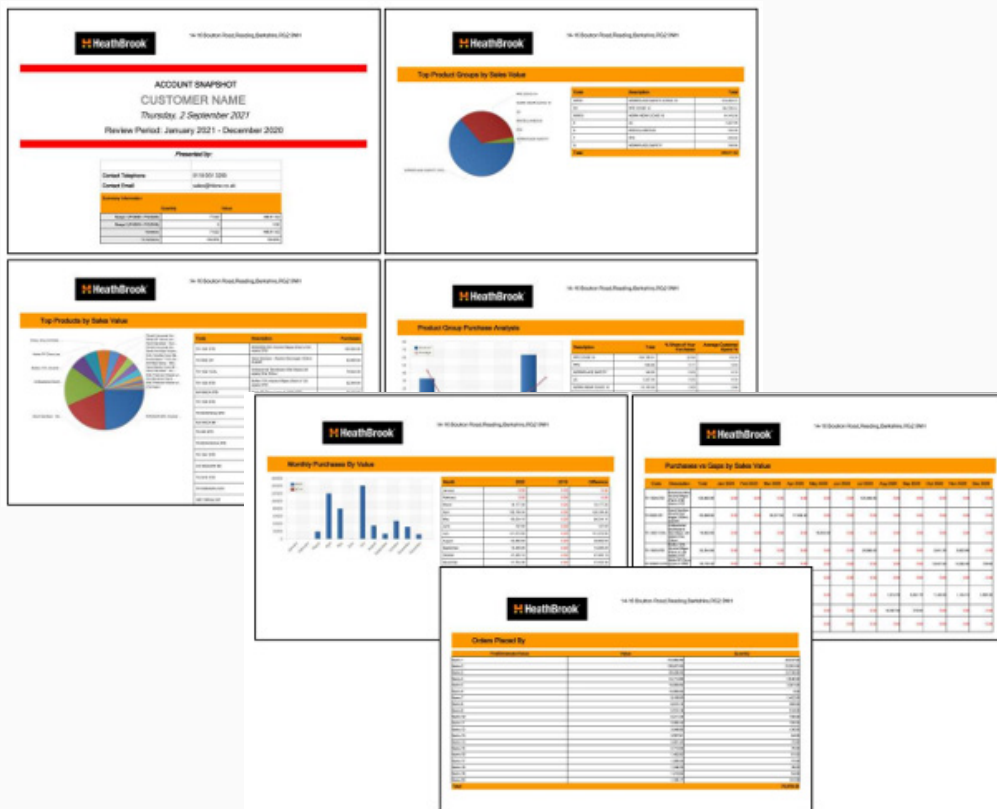

This "new-to-the-market" tool is the latest development of the Workwear Manager® online ordering system. This web-based tool allows the user to record the issue of uniform by employee from the company's own uniform stock.

- **Maintain Control** - Record all issue of uniform by wearer and access previous issue records online
- **Set Stock Levels** - Maintain uniform stock levels using a simple replenishment procedure
- **Track and Record** - All replenishment orders can be tracked and booked on online
- **Additional Items** - Monitor stock levels and issue of products from other suppliers
